00:14:10.078 --> 00:14:14.068
So that when in our route of.

144
00:14:14.068 --> 00:14:17.759
At the very.

145
00:14:17.759 --> 00:14:21.629

00:14:48.208 --> 00:14:51.239
Are you expenses.

152
00:14:51.239 --> 00:14:54.899
Because I, if you raise a.

153
00:14:54.899 --> 00:14:59.129
The will be complete and years.

155
00:15:02.129 --> 00:15:07.649
The age of 5 without also and as.

156
00:15:07.649 --> 00:15:11.999
Give me.

157
00:15:11.999 --> 00:15:16.048
Your view of the involvement of.

158
00:15:16.048 --> 00:15:19.078
I want the completion we.

159
00:15:19.078 --> 00:15:25.769
Well, in far more and more in our quarterly play and
percentage will be in the.

160
00:15:25.769 --> 00:15:29.729
I think the only 1 is.

161
00:15:29.729 --> 00:15:36.239
In, but then they sent all over the.

162
00:15:36.239 --> 00:15:40.469
The jungle lifted 180.

163
00:15:40.469 --> 00:15:44.639
And not in the painting.

164
00:15:44.639 --> 00:15:49.288
Yes, and also see that.

165
00:15:49.288 --> 00:15:54.989
In some, maybe similar in boxing a question.

166
00:15:54.989 --> 00:15:58.438
And our hockey is.

167
00:15:58.438 --> 00:16:02.099

00:16:12.599 --> 00:16:18.208
And lastly, I, the, I prefer the, you waste all our time.

171
00:16:18.208 --> 00:16:22.708
All our managers to order.

172
00:16:22.708 --> 00:16:28.288
Will be happy place where the enforcement is let's sfpp.

173
00:16:28.288 --> 00:16:31.708
From the, or in the 2021.

174
00:16:31.708 --> 00:16:34.918
But 1, late last, because we took on the.

175
00:16:34.918 --> 00:16:39.899
Because these many that are attending from the home of these.

176
00:16:39.899 --> 00:16:44.458
I have also done with that, so certain continue with this.

177
00:16:44.458 --> 00:16:48.599
In the future, so I can be extra by, you.

178
00:16:48.599 --> 00:16:52.708
Thank you, sir. Okay, you are in.

179
00:16:54.899 --> 00:17:01.349
Thank you very much. We'll move to the next speaker Mr from
Tony.

180
00:17:03.328 --> 00:17:07.739
You can speak now.

181
00:17:07.739 --> 00:17:10.949
Am I audible? Yes, sir.

182
00:17:10.949 --> 00:17:14.848
Yeah, thank you. Good morning. I, I have 3 question.

183
00:17:14.848 --> 00:17:19.199
Question number 1 is currently we are doing the business.

184
00:17:19.199 --> 00:17:22.409
I'm a little louder please.

185
00:17:22.409 --> 00:17:26.278
Uh, am I better now? Yeah. Yeah.

186
00:17:26.278 --> 00:17:33.628
Sorry, do we plan to enter into any new chemistry going forward since we are looking at expansion?

187
00:17:33.628 --> 00:17:39.028
All the extension is going to be in the existing product, the product line that we have.

188
00:17:39.028 --> 00:17:48.419
Secondly, what is the point of expansion that we are looking at? And how are we looking to fund that expansion?

189
00:17:48.419 --> 00:17:57.239
And, thirdly, you mentioned in the annual report that this year we may be in 2021, we may be closer to the full capacity.

190
00:17:57.239 --> 00:18:01.949
And, uh, so what kind of turnover and profitability can be.

191
00:18:01.949 --> 00:18:07.679
Expect for the ongoing year Thank you so much in best of luck for the future.

192
00:18:07.679 --> 00:18:11.459
Thank you very much.

193
00:18:17.608 --> 00:18:20.669
Silence.

194
00:18:20.669 --> 00:18:29.699
We will try to directly replace the questions raised by these 2 speakers.

195
00:18:32.759 --> 00:18:39.808
Regarding the.

196
00:18:39.808 --> 00:18:43.858
Apart from where we seem.

197
00:18:43.858 --> 00:18:53.788
As for safe life. Okay. Sorry.

198
00:18:53.788 --> 00:18:57.118
A small correction.

199
00:18:57.118 --> 00:19:00.118
I want the.

200
00:19:00.118 --> 00:19:05.098
Father wishing is safe life and the equally also wish you,
sir.

201
00:19:05.098 --> 00:19:12.209
And I also on behalf of the board join in the, what you are
expressed.

202
00:19:12.209 --> 00:19:18.449
And we all agree good application and that.

203
00:19:18.449 --> 00:19:23.189
We had a hard time and, you know, to successfully come on.

204
00:19:23.189 --> 00:19:28.439
Now, regarding the questions specific, or since your last on.

205
00:19:28.439 --> 00:19:33.449
And water sources, identification.

206
00:19:33.449 --> 00:19:41.759
And efforts in the introduction of usage of the plastics to
fall in line with the government of intention.

207
00:19:41.759 --> 00:19:44.909
As well less the labor welfare.

208

00:19:44.909 --> 00:19:50.398
I would request you said how much in their manager managing director.

209
00:19:50.398 --> 00:19:54.419
To reply after my speech.

210
00:19:54.419 --> 00:19:57.449
And regarding the.

211
00:19:57.449 --> 00:20:06.358
3rd, speak English I mean, the idea raised 3 specific technical questions.

212
00:20:06.358 --> 00:20:09.449
It should lead to the expansion of the sorta ash.

213
00:20:09.449 --> 00:20:17.429
And also the quantum what we are visiting in the future as well as when we reach the full capacity.

214
00:20:17.429 --> 00:20:21.868
What would our profitability will look like and when it will happen.

215
00:20:21.868 --> 00:20:29.128
I think this also request managing director. Mr.

216
00:20:29.128 --> 00:20:33.689
To imply and apart from this to speakers.

217
00:20:33.689 --> 00:20:38.219
There is an email which we have received.

218
00:20:38.219 --> 00:20:42.298
Today after the.

219
00:20:42.298 --> 00:20:45.808
The time that he says later.

220
00:20:45.808 --> 00:20:50.638
So, he sent an email with almost about 15.

221
00:20:50.638 --> 00:20:57.449

Which is mostly generic applicable to all companies.

222

00:20:57.449 --> 00:21:01.739

So, we will pick up a specific 1, which will relate to us.

223

00:21:01.739 --> 00:21:04.919

Advocate concern of the shadow Dennis.

224

00:21:04.919 --> 00:21:11.608

I will request the managing director and to him, the secretary to reply.

225

00:21:11.608 --> 00:21:19.378

Via email, because it is a big list like, he wants to know the current.

226

00:21:19.378 --> 00:21:24.298

33, and the shareholder is turned out that so all that, maybe we can that.

227

00:21:24.298 --> 00:21:31.709

You multiply what a period of time requested is Gene how much endurance to take over the tables.

228

00:21:31.709 --> 00:21:35.009

Thank you.

229

00:21:35.009 --> 00:21:39.388

Not.

230

00:21:39.388 --> 00:21:43.588

Okay.

231

00:21:43.588 --> 00:21:50.909

Yeah, the cost estimates that I'd be shake.

232

00:21:50.909 --> 00:21:54.328

Game actually.

233

00:21:54.328 --> 00:22:03.538

three days after the specified time in the annual report and hence unfortunately we could not reply to him

234

00:22:03.538 --> 00:22:07.318

I know we, thank him for sending the questionnaire.

235

00:22:07.318 --> 00:22:14.699

Good morning, and, uh, since it is in line, which some of the points expressed by Mr.

236

00:22:14.699 --> 00:22:25.288

Mr. as the last. Mr. so I will we will combine together and then answer all the points together on goal.

237

00:22:25.288 --> 00:22:31.469

So, 1st, I'll take really sincerely thank all of our.

238

00:22:31.469 --> 00:22:35.249

Employees and the contractors who have a.

239

00:22:35.249 --> 00:22:39.808

Help us in keeping the plant alive.

240

00:22:39.808 --> 00:22:43.588

Even under when there are severe lockdowns.

241

00:22:43.588 --> 00:22:47.969

Because, you know, we are making detergents, which goes into manufacturer of, uh.

242

00:22:47.969 --> 00:22:54.358

The sanitizers and the handoff liquids, et cetera, which are, uh, in great demand during the time.

243

00:22:54.358 --> 00:22:58.679

In order to maintain the public health, so.

244

00:22:58.679 --> 00:23:02.278

We got a special permission and then we operate and even though.

245

00:23:02.278 --> 00:23:10.648

Uh, we could not operate to to our usual capacity, but we kept the plant in in operation to supply.

246

00:23:10.648 --> 00:23:14.729

In a sort of to the manufacturers.

247

00:23:14.729 --> 00:23:21.449

So as regards the number of people that are affected, et cetera, because of the radius.

248

00:23:21.449 --> 00:23:30.959

Actions taken by the company in the in maintaining the, uh, the health of the people.

249

00:23:30.959 --> 00:23:38.519

So, not many people got affected so I can say that we had about 18 cases.

250

00:23:38.519 --> 00:23:41.909

And we have set up a special.

251

00:23:41.909 --> 00:23:46.558

Prospect reward we can our township colony itself.

252

00:23:46.558 --> 00:23:51.538

And then the doctor was visiting them daily and then, uh.

253

00:23:51.538 --> 00:23:57.659

We have quarantined them and then took care of the family as well as the. We provided the necessary.

254

00:23:57.659 --> 00:24:01.409

Medicines and food, et cetera, so that, uh, they got killed.

255

00:24:01.409 --> 00:24:04.888

And, uh, luckily.

256

00:24:04.888 --> 00:24:11.818

None of the employees, we lost the new to record, so we find.

257

00:24:11.818 --> 00:24:15.808

That then everything went smooth and everybody came back to work uh.

258

00:24:15.808 --> 00:24:23.368

After the necessary current time period, so that is with respect to the question. Mr. setup wanted to know what.

259

00:24:23.368 --> 00:24:28.229

Uh, spread to, can we took during this period?

260
00:24:28.229 --> 00:24:31.919
As far as the, the employment is concerned.

261
00:24:31.919 --> 00:24:38.878
We approximately employ around the 225 people in our roles of the company.

262
00:24:38.878 --> 00:24:43.858
All India, including in the personal marketing etc.

263
00:24:43.858 --> 00:24:48.148
In addition to that, we provide employment to approximately.

264
00:24:48.148 --> 00:24:55.048
200 people every day 200, because the people every day who work in the product Maggie.

265
00:24:55.048 --> 00:24:58.469
That's bad salt handling all handling, et cetera.

266
00:24:58.469 --> 00:25:02.818
So, they also help in a maintenance activity.

267
00:25:04.199 --> 00:25:08.669
So, the, uh, as far as the Catholics concern.

268
00:25:08.669 --> 00:25:12.388
Recently we spent about a.

269
00:25:12.388 --> 00:25:16.108
Approximately 35.

270
00:25:16.108 --> 00:25:24.058
In repairing the plant, why do we have the repair? Then? I asked you, we had a site long.

271
00:25:24.058 --> 00:25:37.618
In the month of May 2, Cyclops 1 from the Bay of involved other from the B and C which, uh, create a lot of issues in the plant and missionary and also.

272
00:25:37.618 --> 00:25:46.798
The salt industry got completely affected, and we have to shut down the plan. Mr. wanted to know the capacity utilization and

the 1st quarter.

273

00:25:46.798 --> 00:25:50.788

We couldn't operate the client in a month of May for want of. Sorry.

274

00:25:50.788 --> 00:25:58.979

Part of the month and a full month of June, and now we're shut down and then we could raise that only by middle of July.

275

00:25:58.979 --> 00:26:07.888

With the salt, the branch from so the capacity utilization in the 1st, 3 months is not to the liking of anyone.

276

00:26:07.888 --> 00:26:11.159

So, but the idea we are doing well, now.

277

00:26:11.159 --> 00:26:15.749

So, because I know we utilized the opportunity of long shutdown under.

278

00:26:15.749 --> 00:26:20.519

Carried out all the advance and maintenance. We also had a shortage of a.

279

00:26:20.519 --> 00:26:29.519

Oxygen for carrying on the maintenance because of the medical urgency, the clamp all our India. So, once that emergency was over and oxygens.

280

00:26:29.519 --> 00:26:33.898

Was made available, we restarted the works and completed.

281

00:26:33.898 --> 00:26:42.509

And by the time the salt arrived, we could restart the plant and now we are reasonably doing well, and especially consumptions of come under control.

282

00:26:42.509 --> 00:26:47.699

And we hope that the, the balance period of the year we will continue to do. Well.

283

00:26:47.699 --> 00:26:52.048

And, uh, uh, probably restore the confidence of.

284

00:26:52.048 --> 00:27:02.098

Uh, the promoters and shareholders, so as far as the store damage, whether we are considering any new product or new technology, et cetera.

285

00:27:02.098 --> 00:27:10.288

No, because we are operating a very unique technology that is suitable for critical. Then we go Friday morning.

286

00:27:10.288 --> 00:27:15.088

And whatever topics that we are going to spend.

287

00:27:15.088 --> 00:27:20.574

Is we are thinking of is it possible for us to double the capacity?

288

00:27:20.574 --> 00:27:30.503

Because we have the necessary permissions doing so so we are looking into the possibility whether we can increase the capacity more or less a number what we are doing now.

289

00:27:30.778 --> 00:27:39.898

So, we'll continue to produce the employer and so on and we will find a way of marketing this morning.

290

00:27:39.898 --> 00:27:44.338

By converting into complex fertilizer as stated in our annual report.

291

00:27:44.723 --> 00:27:59.544

So, the expected turnover is they know, because the, that has been a slight increase and prices of all the inputs, et cetera. So, the international 1 in Florida also, Donna. So, the revised the price levels.

292

00:27:59.784 --> 00:28:07.193

We expect that the turnover of the company under full capacity, and the current full capacity will be around the 320 close.

293

00:28:08.189 --> 00:28:11.459

I think I answered all the questions.

294

00:28:11.459 --> 00:28:18.719
