## NOTES

- a. The Explanatory Statement pursuant to Section 102 of the Companies Act, 2013, relating to Special Business to be transacted at the Annual General Meeting (the "AGM" or "Meeting"), is annexed hereto.
- b. In view of the continuing Covid-19 pandemic, SEBI Circular No. SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated 15 January 2021 and the Ministry of Corporate Affairs ("MCA") has vide its circular dated January 13, 2021 read with circulars dated May 5, 2020 permitted the holding of the Annual General Meeting ("AGM") through VC / OVAM, without the physical presence of the members at the common venue, in compliance with the provisions of the Companies Act, 2013 ("Act"), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"). Hence, the AGM of the Company is being held through VC / OVAM. The deemed venue of the meeting will be the place from where the Chairman of the Board conducts the meeting.
- c. Since this AGM is being held pursuant to MCA Circulars through VC / OAVM, physical attendance of members has been dispensed with. Accordingly, as permitted under the MCA circulars, the facility for appointment of proxies by the members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
- d. Corporate members intending to attend the AGM through their authorized representative in the VC / OAVM are requested to send a certified copy of the Board Resolution to the Scrutinizer by mail through its registered email address.
- e. The register of members and share transfer books of the Company will remain closed from 18th August, 2021 to 27th August, 2021 (both days inclusive).
- f. The Securities & Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are therefore requested to submit the PAN to their Depository Participant with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to the Company's Registrar and Transfer Agent.
- g. In compliance with the aforesaid MCA Circulars and Listing Regulations, Notice of the AGM along with the Annual Report 2020-21 is being sent only through electronic mode to those members whose email addresses are registered with the Company / Depositories. Members may note that the Notice and Annual Report 2020-21 will also be available on the Company's website [www.tacfert.com](http://www.tacfert.com), websites of the Stock Exchange i.e. BSE Ltd. [www.bseindia.com](http://www.bseindia.com) and on the website of CDSL. Members attending through VC / OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act. Members who have not registered their e-mail addresses so far are requested to register their e-mail addresses for receiving all communications including Annual Report, Notices, Circular, etc. from the Company in electronic mode. Members who require communication in physical form in addition to e-communication or have any other queries may write to us at [info@tacfert.com](mailto:info@tacfert.com). In compliance with Section 108 of the Companies Act, 2013, read with the relevant Rules of the Act and Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), the Company has provided the facility to the members to exercise their vote electronically. Instructions for e-voting are annexed to the Notice.
- h. This Notice is emailed to Members, whose names appear in the Register of members as on Friday, 23rd July, 2021. The "cut-off date" for determining the eligibility for voting either through electronic voting is fixed as Friday, 20th August, 2021. The e-voting period will commence at 9.00 a.m. on Tuesday, 24th August, 2021 and will end at 5.00 p.m. on Thursday, 26th, August 2021.
- i. M/s.K.R.A. & Associates, Practicing Company Secretaries, represented by Mr.R.Kannan (having Membership No. FCS-6718) is appointed as the Scrutinizer to scrutinize the e-voting process at the AGM in a fair and transparent manner.
- j. At the AGM, at the end of the discussion, the Chairman shall, with the assistance of the Scrutinizer, obtain the votes cast electronically using the remote e-voting system, both prior to meeting and during the meeting.
- k. The Scrutinizer shall submit a consolidated Scrutinizer's report of the total votes cast in Favor or Against, not later than forty-eight hours after the conclusion of AGM to the Chairman of the Company. The Chairman or any other person authorized by him, shall declare the results of voting forthwith.
- l. The result along with the Scrutinizer's report will be placed on the Company's website and on the website of CDSL after the result is declared by the Chairman/ any other person authorized by him, and the same shall be communicated to the stock exchanges where the shares of the Company are listed.

**CDSL e-Voting System – For Remote e-voting and e-voting during AGM**

- As you are aware, in view of the situation arising due to COVID-19 global pandemic, the general meetings of the companies shall be conducted as per the guidelines issued by the Ministry of Corporate Affairs (MCA) vide Circular No. 02/2021 dated January 13, 2021, Circular No.17/2020 dated April 13, 2020 and Circular No. 20/2020 dated May 05, 2020. The forthcoming AGM will thus be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM through VC/OAVM.
- Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the EGM/ AGM will be provided by CDSL.

3. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
5. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM/EGM has been uploaded on the website of the Company at [www.tacfert.com](http://www.tacfert.com). The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited at [www.bseindia.com](http://www.bseindia.com). The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. [www.evotingindia.com](http://www.evotingindia.com).
7. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.

#### CDSL e-Voting System – For Remote e-voting

#### THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING ARE AS UNDER:

- (i) The voting period begins on 24.08.2021 9.00 AM IST and ends on 26.08.2021 5.00 PM IST. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 20.08.2021 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This

necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

## BOARD'S REPORT AND MANAGEMENT DISCUSSION &amp; ANALYSIS

Your Directors are pleased to present the 48th Annual Report and the Audited Financial Statements of the Company for the year ended 31st March, 2021.

## FINANCIAL RESULTS

(Rs. In Crores)

DESCRIPTION	2020-21	2019-20
Sales Turnover (Net of GST)	67.91	156.64
Gross Loss after meeting all expenses but before providing depreciation and interest	52.82	18.48
Add: Interest	1.95	1.78
Cash Loss	54.77	20.26
Add: Depreciation for the year	3.23	3.37
Extraordinary items	-	--
Net Profit / (Loss) for the year	58.00	(23.63)
Accumulated Loss	384.42	326.42
EPS & Diluted EPS	(4.76)	(1.94)

During the financial year, the plant has to be stopped during April and May '20, due to COVID situation and restarted only towards end of May '20, when regular force of man power could be mobilised with the gradual ease of the COVID restrictions. Again the plant faced supply interruptions in the major raw material Ammonia and the plant has to be stopped between 22.08.2020 and 10.10.2020 for 49 days. The plant continued to face till December '20, the restrictions in free availability of man power and the production rate needed adjustment several times. Maintenance issues with compressors, pumps, conveyors etc. also posed restrictions. Now the new set of pumps and compressors have been installed and production rate is being stepped up. However the performance during the financial year was poor due to the above explained loss of production for nearly 4 months.

The production and sales during the year ended 31st March, 2021 compared to the previous year are as given below;

(Qty. in MTs)

Product	Production		Sales (Includes internal Consumption)	
	2020-21	2019-20	2020-21	2019-20
Soda Ash (Light)	23,651	51,140	*24,843	*50,116
Soda Ash (Dense)	--	--	*13	--
Ammonium Chloride	17,687	42,780	17,100	47,598
Sodium Bicarbonate	--	--	--	--

\*Includes captive consumption

## DIVIDEND

Your Directors are not able to recommend any dividend in view of the accumulated losses.

## MARKET SCENARIO

The selling prices of Soda Ash was almost static during the year and started dropping since September '20. This started increasing again

since February / March '21 and the effect will be felt only in the next financial year. The market demand seems to be good and not much affected due to the COVID related issues.

The Ammonia price remains steady but started increasing from June '20 onwards and it is expected to remain high in the next financial year, unless COVID issues and increase in price of other fertilizer commodities play a role in dampening the demand for ammonia.

## FUTURE OUTLOOK

Since your Company sells major portion of its production to the committed customers on contract basis, it continues to enjoy steady market and is able to maintain its market share. The higher production levels are expected in the ensuing financial year and accordingly your Company has been discussing with its regular customers for increasing offtake. The selling price of the product are in line with the landed cost of the imported and also indigenous supply situation.

Very good opportunities are available for the Company to boost up the production and expand facility with proven technology of CO2 and the enhanced Ammonia storage at the Tuticorin Port available with the Greenstar. The customers have started recognising the effort of the Company in recovering the CO2 from the flue gas, which leads to reduction of carbon emission to atmosphere and the end-users are recognising this effort of ours by committing larger volumes of soda ash that is being produced, or will be produced in future. Unilever appreciated our effort in this regard and have awarded us with Best Partner of the year citation. Your Company is continuing its effort for conversion of Ammonium Chloride fertilizer to complex fertilizer, which will ensure continuous market for the Ammonium Chloride.

## OPPORTUNITIES AND THREATS

Since the markets are growing, the Company must use its road, rail links and also coastal shipping to despatch the product conveniently to other user points to enlarge the market share and market presence. Ammonia supply is through the ammonia import terminal of Greenstar fertilizer at Tuticorin port and hence the availability of the terminal and imported stock are essential to continue the production.

## ENVIRONMENT AND SAFETY

Updation to ISO 9001:2015 the latest standard is under progress.

## WIND MILL

During the year 2020-21, 4,28,983 units were generated from Wind Turbine Power Generators at Gudimangalam, Tirupur District, as against 3,66,663 units generated in the previous year. The aging windmills are being refurbished for better results.

## POWER PURCHASE

Your Company have purchased 54,84,980 units under the Group Captive Scheme in the financial year starting from 1st April, 2020 to 31st March, 2021.

## CAPTIVE SALT WORKS

11,875 MTs of salt was produced and all the unused pans were also brought under production and the systems were modified to produce quality salt. With the availability of enriched water from the RO plant, more quantity of quality salt would be produced during the year.

## BSE / SEBI

As per the order of SEBI, your Company went through the process OFS through BSE and achieved the prescribed Minimum Public Shareholding of 25% on 4th October 2020.

## FIXED DEPOSIT

There was no outstanding deposit as at 31st March, 2021. The Company has neither accepted nor renewed any deposits during the year under review.

The Committee meets once in a quarter to discuss the points forwarded by the Risk Management Team and other risks facing the Company and submit a report to the Board of Directors. The report will contain the methods to mitigate the risk.

The Risk Management Committee will study the risks/threats/concerns both in short term and long term and take adequate steps periodically to protect the interest of the various stakeholders.

**ANNEXURE 2****REMUNERATION POLICY****PURPOSE**

The Remuneration Policy is applicable to all employees of the Company, including Executives, Non-Executives and Board of Directors of the Company. The Policy is primarily focused on the employees of the Company other than Directors and Senior Executives to provide a competitive attractive remuneration to retain, protect and develop competent personnel. The pay package shall be based on the roles and responsibilities and shall consist in addition to the substantial fixed salary portion, motivating pays like Performance Pay, Production Incentives, Leave Travel Assistance, Ex-gratia payments and non-salary benefits like Health Care, Transport, Canteen Facilities, Pension, Township and Retirement/Statutory benefits of Provident Fund and Gratuity.

**PAY PACKAGE**

The Pay Package shall comply with general industrial practices and shall reflect the cost of living and also should take into account ability of the Company to sustain and pay such packages.

The Package shall consist of predominantly fixed income and not more than 30% of the pay shall be based on variable components consisting of Performance and Motivating Pays.

**EXECUTIVE PAY PACKAGE**

The Executive Pay Packages shall also follow the above guidelines. However, since they are primarily responsible for taking the Company forward and improving its business ability, deviations as necessary can be made to provide substantial motivating pays apart from the fixed salary. Perquisites of housing and transportation can also be different as per the need.

The Non-Executive Board of Directors would be paid Sitting Fees as decided by the Board from time to time depending on the ability of the Company, but to be within the statutory maximum.

**OTHER GENERAL ISSUES**

Notice pay, PF, Gratuity, etc., will be as per the various statutory regulations/ Company's approved policy from time to time.

**PROCEDURES**

The Remuneration Committee of the Board will meet from time to time, discuss, review and approve the pay packages suggested by the executives of the Company for implementation and for settlement with the employees through the Trade Union either through a 12(3) agreement or 18(1) agreement as per the need. The pay packages/ sitting fees of the Executives/Working Directors and the other members of the Board would be fixed by the Remuneration Committee and suggested to the Board for implementation.

**ANNEXURE 3****VIGIL MECHANISM / WHISTLE BLOWER POLICY**

As per Section 177 of the Companies Act, 2013 and SEBI (LODR) Regulations, 2015 the Company implemented a Whistle Blower Policy, by which all unethical and improper practices or wrongful conduct that may occur in the conduct of business of the Company when comes to the knowledge of an employee, can be brought to the attention of the concerned, including Managing Director and Audit Committee of the Board. The Policy provides a frame work by which a Whistle Blower has access to the top Management so that the wrongful conduct is brought to their attention, investigated and the concerned person punished. The frame work will also provide adequate safe guards to the Whistle Blower who will act in good faith and prevent harassment and victimization to him.

**Policy**

This Whistle Blower Policy is formulated to provide an opportunity to employees to raise concerns, in case they detect or observe unethical and improper practices or any other wrongful conduct in the Company to higher ups, Managing Director and/or to the Audit Committee of the Board of Directors. This Policy also provides necessary safeguards for protection to such whistle blower employees from reprisals or victimization and to prohibit managerial personnel from taking any adverse personnel action against them.

**Reporting**

An employee who observes or notices any unethical & improper practices or alleged wrongful conduct in the Company may report the same to the Head of Department or in case it involves Managerial Personnel to the Managing Director and in exceptional cases to Audit Committee through e-mail addressed to [info@tafcert.com](mailto:info@tafcert.com)

## INDEPENDENT AUDITORS' REPORT

**To the Members of Tuticorin Alkali Chemicals and Fertilizers Limited****Report on the Audit of the Financial Statements****Opinion**

We have audited the financial statements of Tuticorin Alkali Chemicals and Fertilizers Limited ("the Company"), which comprise the Balance sheet as at March 31, 2021, and the Statement of Profit and Loss, Statement of changes in equity and Statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015 as amended and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, loss, changes in equity and its cash flows for the year ended on that date.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Material Uncertainty related to Going Concern:**

We draw attention to Note 34 to the financial statements, which states that the Company has incurred a net loss of Rs. 5,796.93 lakhs (Previous year Rs. 2,355.36 Lakhs) during the year ended March 31, 2021 and, as of that date, accumulated loss of Rs. 38,508.96 Lakhs (Previous year Rs. 32,712.03 Lakhs) which has eroded the net worth of the Company. Further, the company's current liabilities exceeded its current assets by Rs. 25,589.35 Lakhs. These conditions indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as going concern. However as stated in the note, having regard to projected increase in utilization of production capacity of the Company on planned refurbishing/replacing identified old machineries and financial support from its promoters and group companies, the financial statements of the company have been prepared on a going concern basis.

Our opinion is not modified in respect of this matter.

**Emphasis of Matter:**

We draw attention to the following notes to the financial statements:

- a) Note 22B(i) which states that Inventories includes an adjustment of Rs. 937 lakhs which has been charged off to Changes in inventories of finished goods and work-in-progress.
- b) Note 37 which states that the management has made an assessment of the impact of COVID-19 on the Company's operations, financial performance and position as at and for the year ended March 31, 2021 and has concluded that there is no impact which is required to be recognized in the financial statements. Accordingly, no adjustments have been made to the financial statements.

Our opinion is not modified in respect of these matters.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Impairment assessment of Property, Plant and Equipment (PPE)

**Key Audit Matter**

Refer Note 34 to the financial statements with respect to the disclosures relating to Impairment assessment of Property Plant and Equipment's. As at March 31, 2021, PPE amounting to Rs. 5,631.73 Lakhs represents 52.24% of the Company's total assets.

Management had carried out an impairment assessment in accordance with IND AS 36 to determine whether the recoverable value of PPEs are less than the respective carrying value using the fair value less costs of disposal method. The assessment involves adoption of critical assumptions and judgement in determining the recoverable amounts.

The Management has assessed the fair value of freehold land basis current year valuation and selling price of comparable properties in similar locations adjusted for property size and costs of disposal; the fair value of plant and equipment, furniture and fixtures, office equipment were based on the written down value of these assets carried in the books of account as at March 31, 2021.

We have determined the impairment assessment of PPE to be a key audit matter as the process involves significant judgements and critical assumptions in determining the recoverable amounts of PPE.

**How the Key Audit Matter was addressed in our audit:****Our audit procedures with respect to this area included:**

- Evaluated controls relating to assessment of impairment provision of property, plant and equipment;
- Evaluated whether the impairment test was performed by management in accordance with IND AS 36;
- Assessed the reasonableness of the valuation obtained as on March 31, 2021;
- Evaluated the independent professional valuer's competence, capabilities and objectivity;
- Evaluated and challenged the reasonableness of the assumptions used by independent valuer engaged by the Company in impairment assessment of property, plant and equipment.
- Evaluated the assumptions used in the Company's calculations and performing independent sensitivity analysis of a probable reduction in values considered;
- Verified the mathematical accuracy of management's computation of the fair value less costs of disposal;
- Assessed the appropriateness of the disclosures in the notes to the financial statements, with reference to IND AS 36.

**Information Other than the Financial Statements and Auditors' Report Thereon**

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Report, Chairman's Statement, Director's Report etc, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

We give in "Annexure A" a detailed description of Auditor's responsibilities for Audit of the Financial Statements.

#### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. **As required by Section 143(3) of the Act, we report that:**
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - (c) The Balance Sheet, the Statement of Profit and Loss, the Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
  - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
  - (e) The matter described in Material Uncertainty Related to Going Concern section of our report, in our opinion, may have an adverse effect on the functioning of the Company.
  - (f) On the basis of the written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
  - (g) With respect to the adequacy of internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure C".
  - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 30 to the financial statements.
    - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
    - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company
3. As required by The Companies (Amendment) Act, 2017, in our opinion, according to information, explanations given to us, the remuneration paid by the Company to its directors is within the limits laid prescribed under Section 197 of the Act and the rules thereunder.

## ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT ON EVEN DATE ON THE FINANCIAL STATEMENTS OF TUTICORIN ALKALI CHEMICALS AND FERTILIZERS LIMITED

**Auditors' Responsibilities for the Audit of the Financial Statements**

**As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:**

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we

conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## ANNEXURE B TO INDEPENDENT AUDITORS' REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF TUTICORIN ALKALI CHEMICALS AND FERTILIZERS LIMITED FOR THE YEAR ENDED MARCH 31, 2021

**Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditors' Report**

- (a) The company has maintained proper records showing full particulars including quantitative details and situation of fixed assets (Property, Plant and Equipment).
- (b) All the fixed assets were physically verified by the management in the previous year in accordance with a planned programme of verifying them once in three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company except for the following immovable properties.

No. of cases	Leasehold/ Freehold	Gross Block as at March 31, 2021	Net Block as at March 31, 2021
1	Freehold land	1.07 lakhs	1.07 lakhs

Immovable properties of land and buildings whose title deeds are deposited with banks as security for the working capital loans, are held in the name of the company based on the Memorandum of Deposit of title deeds executed between the banks and the Company for which confirmations have been obtained from respective bankers.

- The inventory has been physically verified during the year by the management. In our opinion, the frequency of verification is reasonable. Material discrepancies were noticed on physical verification carried out at the end of the year amounting to Rs. 937.91 lakhs which has been properly dealt with in the books of account.
- The Company has not granted any loans, secured or unsecured to Companies, Firms, Limited Liability Partnerships (LLP) or

other parties covered in the register maintained under section 189 of the Companies Act, 2013 ('the Act'). Accordingly, the provisions stated in paragraph 3 (iii) (a) to (c) of the Order are not applicable to the Company.

- iv. In our opinion and according to the information and explanations given to us, the Company has not either directly or indirectly, granted any loan to any of its directors or to any other person in whom the director is interested, in accordance with the provisions of section 185 of the Act and the Company has not made investments through more than two layers of investment companies in accordance with the provisions of section 186 of the Act. Accordingly, provisions stated in paragraph 3(iv) of the Order are not applicable to the Company.

#### ANNEXURE C TO THE INDEPENDENT AUDITORS' REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF TUTICORIN ALKALI CHEMICALS AND FERTILIZERS LIMITED

##### **§Referred to in paragraph 2(g) under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditors' Report§**

##### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls with reference to financial statements of Tuticorin Alkali Chemicals and Fertilizers Limited ("the Company") as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

##### **Management's Responsibility for Internal Financial Controls**

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI) (the "Guidance Note"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and

the timely preparation of reliable financial information, as required under the Act.

##### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

**Meaning of Internal Financial Controls With Reference to Financial Statements**

A Company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Place: Chennai  
Date: June 28, 2021

**Inherent Limitations of Internal Financial Controls With Reference to Financial Statements**

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2021, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note.

## Notes to the Financial statements for the year ended 31 March 2021

**1. Corporate Information**

Tuticorin Alkali Chemicals And Fertilizers Limited ('the Company'/'TAC'), having its registered office at Chennai is a Public Limited Company, incorporated under the provisions of the Companies Act, 1956. Its shares are listed on Bombay Stock Exchange Limited. The Company is manufacturing and selling Soda Ash and Ammonium Chloride Fertilizer and has its manufacturing facility at Tuticorin.

**2.1 Basis of Preparation of Financial Statements****A. Statement of compliance**

The financial statements which comprise the Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement, and the Statement of Changes in Equity ("financial statements") have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Section 133 of the Companies Act, 2013 ("the Act"), Companies (Indian Accounting Standards) Rules, 2015, along with relevant amendment rules issued thereafter and other relevant provisions of the Act, as applicable

**B. Basis of Measurement**

The financial statements have been prepared on the historical cost basis except for the following material items:

Items	Basis
Certain financial assets and liabilities.	Fair Value
Net defined benefit (asset)/ liability	Fair value of plan assets less present value of defined benefit obligations

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date

Accounting policies have been consistently applied to all the years presented except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of services and the time between the rendering of service and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as twelve months for the purpose of current and noncurrent classification of assets and liabilities.

**a. Functional and Presentation Currency**

These financial statements have been prepared in Indian Rupee (INR) which is the functional currency of the company. All amounts

have been rounded-off to the nearest lakhs, unless otherwise indicated.

**b. Statement of cash flows**

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated. Cash and cash equivalents for the purpose of the statement of cash flows comprise cash and cash on deposit with banks and financial institutions. The Company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalent.

**c. Measurement of fair values**

A number of the Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. The Company has an established control framework with respect to the measurement of fair values. Significant valuation issues are reported to the Company's board of directors.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- ❖ Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- ❖ Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- ❖ Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

Further information about the assumptions made in measuring fair values is included in the following note:

Note 28: financial instruments.

#### d. Use of estimates and Judgements

The preparation of financial statements in conformity with Ind AS requires the Management to make estimate and assumptions that affect the reported amount of assets and liabilities as at the Balance Sheet date, reported amount of revenue and expenses for the year and disclosures of contingent liabilities as at the Balance Sheet date. The estimates and assumptions used in the accompanying financial statements are based upon the Management's evaluation of the relevant facts and circumstances as at the date of the financial statements. Actual results could differ from these estimates. Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates, if any, are recognized in the year in which the estimates are revised and in any future years affected. Refer below for detailed discussion on estimates and judgments.

#### Assumptions and estimation uncertainties:

##### i. Useful lives of property, plant and equipment

Property, plant and equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of company's assets are determined by management at the time the asset is acquired and reviewed periodically, including each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology.

##### ii. Defined benefit plans (gratuity benefits)

The cost of the defined benefit plans are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each year end.

The principal assumptions are the discount and salary growth rate. The discount rate is based upon the market yields available on government bonds at the accounting date with a term that matches that of liabilities. Salary increase rate takes into account of inflation, seniority, promotion and other relevant factors on long term basis. For details refer Note 29.

## 2.2 Significant Accounting Policies

### i. Revenue Recognition

The Company earns revenue primarily from sale of Soda Ash and Ammonium Chloride (Dual Product). The Company recognizes revenue when (or as) a performance obligation is satisfied, i.e. when 'control' of the goods or services underlying the particular performance obligation is transferred to the customer.

Revenue from sale of products is recognized on satisfaction of performance obligation upon transfer of control of promised products to customers in an amount that reflects the consideration expected to be received in exchange for those products.

Revenue is measured based on the transaction price, which is the consideration, adjusted for volume discounts, price concessions and incentives, if any, as specified in the contract with the customer. Revenue also excludes taxes collected from customers.

Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes and duty. The Company has assessed its revenue arrangements based on substance of the transaction and business model against specific criteria to determine if it is acting as principal or agent.

#### Recognition of interest income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable.

The 'effective interest rate' is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument to:

- ❖ the gross carrying amount of the financial asset; or
- ❖ the amortised cost of the financial liability.

### ii. Property, plant and equipment

#### a. Tangible Assets

##### ➤ Recognition and measurement

Items of property, plant and equipment are measured at cost, which includes capitalised borrowing costs, less accumulated depreciation and accumulated impairment losses, if any.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

The cost of a self-constructed item of property, plant and equipment comprises the cost of materials and direct labor, any other costs directly attributable to bringing the item to working condition for its intended use, and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment. Any gain or loss on disposal of an item of property, plant and equipment is recognised in the statement of profit and loss.

Capital work-in progress comprises of the cost of fixed assets that are not yet ready for their intended use as on the balance sheet date. Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under other non-current assets and the cost of assets not put to use before such date are disclosed under 'Capital work-in-progress'.

➤ **Subsequent expenditure**

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

➤ **Depreciation**

Depreciation on fixed assets is charged over the estimated useful life of the fixed assets at the rates and in the manner prescribed in Schedule II of the Companies Act, 2013. Assets purchased/sold during the year are depreciated on a pro-rata basis, based on the actual number of days the assets have been put to use. Assets individually costing upto Rs.5,000/- are depreciated fully over a period of one year from the date of purchase.

Depreciation on sale/deduction from property plant and equipment is provided up to the date preceding the date of sale, deduction as the case may be. Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in Statement of Profit and Loss under 'Other Income'.

Depreciation methods, useful lives and residual values are reviewed periodically at each financial year end and adjusted respectively, as appropriate.

**b. Intangible Assets**

Intangibles are initially measured at cost. Such intangible assets are subsequently measured at cost less and accumulated amortisation any accumulated impairment losses.

➤ **Subsequent expenditure**

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure is recognised in the Statement of profit and loss as incurred.

➤ **Amortization**

Amortization is calculated to write off the cost of intangible assets less their estimated residual values over their estimated useful lives using the straight-line method, and is included in the Statement of profit and loss. The Company amortizes computer software over a period of 5 years.

Amortization method, useful lives and residual values are reviewed at the end of each financial year and adjusted if appropriate.

**iii. Financial instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

**a. Financial Assets**

➤ **Initial recognition and measurement**

At initial recognition, financial asset is measured at its fair value plus, in the case of a financial asset not at fair value through

profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

➤ **Subsequent measurement**

For purposes of subsequent measurement, financial assets are classified in following categories:

- at amortized cost; or
- at fair value through other comprehensive income; or
- at fair value through profit or loss.

➤ **Impairment of financial assets**

In accordance with Ind AS 109, Financial Instruments, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on financial assets that are measured at amortized cost and FVOCI.

➤ **Derecognition of financial assets**

**A financial asset is derecognized only when**

- the rights to receive cash flows from the financial asset is transferred or
- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the financial asset is transferred then in that case financial asset is derecognized only if substantially all risks and rewards of ownership of the financial asset is transferred. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognized.

**b. Financial liabilities**

➤ **Initial recognition and measurement**

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss and at amortized cost, as appropriate.

All financial liabilities are recognized initially at fair value and, in the case of borrowings and payables, net of directly attributable transaction costs.

➤ **Subsequent measurement**

The measurement of financial liabilities depends on their classification, as described below:

• **Financial liabilities at fair value through profit or loss**

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments. Gains or losses on liabilities held for trading are recognized in the Statement of Profit and Loss.

• **Loans and borrowings**

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method.

Gains and losses are recognized in Statement of Profit and Loss when the liabilities are derecognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the Statement of Profit and Loss.

• **Derecognition**

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss as finance costs.

c. **Offsetting financial instruments**

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

iv. **Inventories**

Inventories are stated at the lower of cost and net realizable values. Cost is determined as follows:

Inventory	Valuation Method
Raw Materials	Weighted Average Cost
Work in Process	Weighted Average Cost
Finished Goods (including by-products)	Lower of Weighted Average Cost or Net realisable value
Stores and spares	Weighted Average Cost

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Cost comprises all costs of purchase including duties and taxes (other than those subsequently recoverable by the Company), freight inwards and other expenditure directly attributable to acquisition. Finished goods include appropriate proportion of overheads and, where applicable, excise duty.

Provision of obsolescence on inventories is considered on the basis of management's estimate based on demand and market of the inventories.

v. **Provisions, contingent liabilities and contingent assets**

A provision is recognised if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows (representing the best estimate of the expenditure required to settle the present obligation at the balance sheet date) at a pre-tax rate that reflects current market assessments of the

time value of money and the risks specific to the liability. The unwinding of the discount is recognised as finance cost. Expected future operating losses are not provided for.

A contract is considered to be onerous when the expected economic benefits to be derived by the Company from the contract are lower than the unavoidable cost of meeting its obligations under the contract. The provision for an onerous contract is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract. Before such a provision is made, the Company recognises any impairment loss on the assets associated with that contract.

Contingent liabilities and contingent assets are not recognized in the financial statements. Contingent liabilities are disclosed in the financial statements unless the possibility of any outflow in settlement is remote. Contingent assets are disclosed in the financial statements where an inflow of economic benefits is probable.

vi. **Employee benefits**

a. **Short-term employee benefits**

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be settled wholly within 12 months after the end of the year, if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of obligation can be estimated reliably.

b. **Post employment benefits**

(a) **Defined contribution plans**

Contributions paid/payable to defined contribution plans comprising of Superannuation (under a scheme of Life Insurance Corporation of India) and Provident Funds for certain employees covered under the respective Schemes are recognised in the Statement of Profit and Loss each year.

The company's contribution to provident fund and employee state insurance scheme are considered as defined contribution plans and are charged as an expense based on the amount of contribution required to be made and when services are rendered by the employees.

A liability for a termination benefit is recognised at the earlier of when the entity can no longer withdraw the offer of the termination benefit and when the entity recognizes any related restructuring costs.

(b) **Defined benefit plans:**

• **Gratuity**

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Company's gratuity benefit scheme is a defined benefit plan. The Company's net obligation in respect of defined benefit plan is calculated by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets. Obligation under the gratuity scheme is covered under a Scheme of Life Insurance Corporation of India (LIC) and contributions in respect of such scheme are recognized in the profit or loss

The calculation of defined benefit obligation is performed annually by a qualified actuary using the projected unit credit method.

Remeasurement of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised in OCI. The Company determines the net interest expense (income) on the net defined benefit liability (asset) for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the then-net defined benefit liability (asset), taking into account any changes in the net defined benefit liability (asset) during the period as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plans are recognised in profit or loss.

#### • **Compensated Absences**

Accumulated compensated absences, which are expected to be availed or en-cashed within 12 months from the end of the year are treated as short term employee benefits. The obligation towards the same is measured at the expected cost of accumulating compensated absences as the additional amount expected to be paid as a result of the unused entitlement as at the year end.

Accumulated compensated absences, which are expected to be availed or en-cashed beyond 12 months from the end of the year end are treated as other long term employee benefits. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Actuarial losses/gains are recognized in the statement of profit and loss in the year in which they arise.

Leaves under defined benefit plans can be en-cashed only on discontinuation of service by employee.

#### vii. **Leases**

Till 31 March 2020, Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

Rental expense from operating leases is generally recognised on a straight-line basis over the term of the relevant lease. However, where the rentals are structured solely to increase in line with expected general inflation to compensate for the lessor's expected inflationary costs, such increases are recognised in the year in which such benefits accrue. Contingent rentals, if any, arising under operating leases are recognised as an expense in the period in which they are incurred.

From 1 April 2020, the Company has applied Ind AS 116, "Leases" using the modified retrospective approach, under which the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases.

The Company assesses at contract inception whether a contract is, or contains, a lease i.e., if the contract conveys the right to control the use of an identified asset for a period in exchange of consideration

#### **Company as a Lessee**

The Company applies a single recognition and measurement approach for all leases except for short-term leases. The Company

recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets. The nature of expenses related to those leases has changed from lease rent in previous periods to (i) amortization for the right-to-use asset, and (ii) interest accrued on lease liability

#### a) **Right-of-use assets:**

Right-of-use assets are measured at cost comprising the following: i) the amount of the initial measurement of lease liability ii) any initial direct costs iii) restoration costs. Right-of-use assets are depreciated over the lease term on a straight-line basis.

#### b) **Lease Liabilities:**

Lease liabilities are measured at present value of following components: i) fixed payments less any lease incentives receivable ii) amounts expected to be payable by the Company under residual value guarantee.

Incremental borrowing rate used for discounting has been determined by taking the interest rates obtained from financial institutions for borrowing the similar value of right of use assets for similar tenure. The rates will be reassessed on a yearly basis at the beginning of each accounting period to reflect changes in financial conditions.

c) **Short-term leases:** The Company applies the short-term lease recognition exemption to its short-term lease contracts (i.e. those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). Lease payments on a short-term leases are recognised as expense on a straight-line basis over the lease term

#### viii. **Borrowing cost**

Borrowing costs are interest and other costs (including exchange differences relating to foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs) incurred in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of an asset which necessarily take a substantial period of time to get ready for their intended use are capitalised as part of the cost of that asset. Other borrowing costs are recognised as an expense in the period in which they are incurred.

#### ix. **Foreign currency transactions**

Transactions in foreign currencies are translated into the functional currency of the Company at the exchange rates at the dates of the transactions or an average rate if the average rate approximates the actual rate at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined. Non-monetary assets and liabilities that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the transaction. Exchange differences are recognised in the statement of profit and loss.

#### x. **Income Tax**

Income tax comprises current and deferred tax. It is recognised in statement of profit and loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in other comprehensive income.

**a. Current tax**

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

**b. Deferred tax**

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits.

Deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which they can be used.

Deferred tax assets – unrecognised or recognised, are reviewed at each reporting date and are recognised/ reduced to the extent that it is probable/ no longer probable respectively that the related tax benefit will be realised.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

**xi. Earnings per share (EPS)**

Basic earnings per share ('EPS') is computed by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of shares outstanding during the year.

Diluted EPS is computed using the weighted average number of equity and dilutive equity equivalent shares outstanding during the period except where the result would be anti-dilutive. Dilutive potential equity shares are deemed converted as of the beginning of the period unless issued at a later date.

**xii. Operating segment**

Operating segments are reported in the manner consistent with the internal reporting to the chief operating decision maker (CODM). An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the Company's other components, and for which discrete financial information is available. All operating segments' operating results are reviewed regularly by the Company's board of directors to make decisions about resources to be allocated to the segments and assess their performance.

**xiii. Recent Pronouncements:**

On March 24, 2021, the Ministry of Corporate Affairs ("MCA") through a notification, amended Schedule III of the Companies Act, 2013. The amendments revise Division I, II and III of Schedule III and are applicable from April 1, 2021. Key amendments relating to Division II which relate to companies whose financial statements are required to comply with Companies (Indian Accounting Standards) Rules 2015 are:

**Balance Sheet:**

- Certain additional disclosures in the statement of changes in equity such as changes in equity share capital due to prior period errors and restated balances at the beginning of the current reporting period
- Specified format for disclosure of shareholding of promoters
- Specified format for ageing schedule of trade receivables, trade payables, capital work-in-progress and intangible asset under development.
- If a company has not used funds for the specific purpose for which it was borrowed from banks and financial institutions, then disclosure of details of where it has been used.
- Specific disclosure under 'additional regulatory requirement' such as compliance with approved schemes of arrangements, compliance with number of layers of companies, title deeds of immovable property not held in name of company, loans and advances to promoters, directors, key managerial personnel (KMP) and related parties, details of benami property held etc.

**Statement of profit and loss:**

- Additional disclosures relating to Corporate Social Responsibility (CSR), undisclosed income and crypto or virtual currency specified under the head 'additional information' in the notes forming part of the standalone financial statements.

The amendments are extensive, and the Company will evaluate the same to give effect to them as required by law.

Notes to the Financial statements for the year ended 31 March 2021

Tax losses of Rs 28,783 lakhs (31 March 2020: Rs 22,645 lakhs) are available for offsetting for a maximum period of eight years against future taxable profits of the Company. The Company has recognised deferred tax assets only to the extent of deferred tax liabilities in the absence of convincing evidence of future taxable profits. The majority of the deferred tax liabilities represent accelerated tax relief for the depreciation of property plant and equipments.

As per the same SEBI order dated September 6, 2018 promoters had to dilute their holding to bring down their combined holding to 75% and achieve minimum public shareholding of 25%. Bombay Stock Exchange (BSE) granted the listing approval on August 23, 2019 and trading approval on September 24, 2019.

Company initiated action for dilution as per the prescribed procedure of Offer For Sale (OFS) through BSE Portal on September 22, 2020, within the one year from the date of trading approval of September 24, 2019, and completed by November 4, 2020 to achieve the minimum public shareholding of 25%. Accordingly as on December 31, 2020, the public shareholding has increased to 25%. The company has advised that if there are issues raised by BSE due to delay of dilution of shares, it will be sorted out."

## 27 Segment Reporting

The company is engaged in the manufacture of Soda Ash and Ammonium Chloride (Dual Products) which is the only business segment determined in accordance with the IndAS 108, "Operating segment". Hence there are no reportable business segments to be disclosed as required by the said standard.

## 28 Financial Instruments

## 28.1 Capital management

"The Company's capital management objective is to maximise the total shareholder return by optimising cost of capital through flexible capital structure that supports growth. Further, the Company ensures optimal credit risk profile to maintain/enhance credit rating."

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company includes within net debt, interest bearing loans and borrowings, trade and other payables, less cash and cash equivalents.

For the purpose of capital management, capital includes issued equity capital, securities premium and all other reserves. Net debt includes all long and short-term borrowings, trade and other payables as reduced by cash and cash equivalents.

The following table summarises the capital of the Company:

Rupees in Lakhs

Particulars	As at 31 March 2021	As at 31 March 2020
Equity	12,186.76	12,186.76
Debt	591.24	791.08
Cash and cash equivalents	27.57	131.33
Net debt	563.67	659.75
Total capital (Equity+net debt)	12,750.43	12,846.51
Net Debt to capital ratio	4.42	5.14
Interest Coverage ratio	(28.80)	(12.26)

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current period. No changes were made in the objectives, policies or processes for managing capital during the years ended 31 March 2021 and 31 March 2020.

## 28.3 Financial Risk and Management Objectives

The Company's activities expose it to a variety of financial risks, credit risks, liquidity risks and market risks.

The Company's board of directors has overall responsibility for the establishment and oversight of the risk management framework.

The Risk management policies are established to identify and analyse the risks faced by the company, to set appropriate risk limits and controls and to monitor risks and adhere to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and company's activities. The company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

## 1. Credit Risks

"Credit risk is the risk of financial loss to the company, if a customer or the counter party to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers. The carrying amount of financial assets represents the maximum credit risk exposure. The Company evaluates the concentration with respect to trade receivables considering the sales to top 4 customers contribute 75% of the revenue.

## Trade receivables

The company's exposure to credit risks is influenced mainly by individual characteristics of each customer. However management also considers the factors that may influence the credit risk of its

customer base, including the default risk of the industry. Credit risk has always been managed by the company through its credit approvals, establishing credit limits and continuously monitoring the credit worthiness of its customer based on which the company agrees on the credit terms with the customers in the normal course of business.

Credit risks on cash and cash equivalents and other bank balances is limited as the company generally transacts with banks and financial institutions with high credit ratings assigned by International and Domestic Credit Rating Agencies. Credit risk from balances with banks, borrowings from related parties and financial institutions is managed by the Company's treasury department in accordance with the guidelines framed by the board of directors of the Company. Guidelines broadly covers the selection criterion and over all exposure which the Company can take with a particular financial institution or bank. The Company does not maintain the significant amount of cash and deposits other than those required for its day to day operations."

## 2. Liquidity Risks

Liquidity risk is the risk that the company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damaging to the company's reputation.

The table below provides the details regarding the contractual maturities of significant financial liabilities as follows;

**5. Interest Rate Risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's outstanding debt in local currency is on fixed rate basis and hence not subject to interest rate risk.

## 29 Employee benefit plans

### a) Defined contribution plans

The Company has recognised Rs.76.42 lakhs (March 31, 2020: Rs. 80.67 lakhs) as expense in Statement of Profit or Loss towards defined contribution plans. The contributions payable to these plans by the Company are at rates specified in the rules of the schemes.

Based on the Supreme Court Judgement dated March 2, 2019, the Company has reassessed the components to be included in the basic salary for the purposes of deduction of PF. Accordingly, there was no impact and hence the company has not provided for any additional liability as on March 31, 2021 in the books of accounts.

### b) Defined benefit plans

In respect of Gratuity plan, the most recent actuarial valuation of the plan assets and the present value of the defined benefit obligation were carried out as March 31, 2021. The present value of the defined benefit obligation, and the related current service cost and past service cost, were measured using the projected unit cost method. The following table sets forth the status of the Gratuity Plan of the Company and the amount recognised in the Balance Sheet and

Statement of Profit and Loss. The Company provides the gratuity benefit through annual contributions to insurer managed funds.

The Company is exposed to various risks in providing the above gratuity benefit which are as follows;

**Investment risk:** The probability or likelihood of occurrence of losses relative to the expected return on any particular investment.

**Interest risk:** The plan exposes the Company to the risk of fall in interest rates. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of the liability.

**Salary Escalation Risk:** The present value of the defined benefit plan is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.

**Demographic Risk:** The Company has used certain mortality and attrition assumptions in valuation of the liability. The Group is exposed to the risk of actual experience turning out to be worse compared to the assumption.

The details of actuarial valuation in respect of Gratuity and Long Term Compensated Absences liability are given below:

## ASSUMPTIONS

The principal assumptions used for the purposes of the actuarial valuations of Gratuity are given below

Particulars	As at 31 March 2021	As at 31 March 2020
Discount rate	6.58%	6.46%
Expected rate of salary increase	5%	5%
Expected rate of attrition	3%	3%
Mortality rate	100%	100%

The principal assumptions used for the purposes of the actuarial valuations of Long term Compensated absences are given below

Particulars	As at 31 March 2021	As at 31 March 2020
Discount rate	6.74%	6.53%
Expected rate of salary increase	5%	5%
Expected rate of attrition	3%	3%
Mortality rate	100%	100%

"The Company has generally invested the plan assets with the insurer managed funds. The insurance company has invested the plan assets in Government Securities, Debt Funds, Equity shares, Mutual Funds, Money Market Instruments and Time Deposits. The expected rate of return on plan asset is based on expectation of the average long term rate of return expected on investments of the fund during the estimated term of the obligation.

The Company has purchased insurance policy, which is basically a year-on-year cash accumulation plan in which the interest rate is declared on yearly basis and is guaranteed for a period of one year. The insurance Company, as part of the policy rules, makes payment of all gratuity outgoes happening during the year (subject to sufficiency of funds under the policy). The policy, thus, mitigates the liquidity risk. However, being a cash accumulation plan, the duration of assets is shorter compared to the duration of liabilities. Thus, the Company is exposed to movement in interest rate (in particular, the significant fall in interest rates, which should result in an increase in liability without corresponding increase in the asset)"

Significant actuarial assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase and attrition rate. The sensitivity analysis below have been determined based on reasonably possible changes of the assumptions occurring at the end of the reporting period, while holding all other assumptions constant. The results of sensitivity analysis is given below: Rupees in Lakhs

Particulars	Gratuity		Long Term Compensated Absences	
	As at 31 March 2021	As at 31 March 2020	As at 31 March 2021	As at 31 March 2020
Discount rate				
- Increase 0.5%	241.80	267.82	(2.46)	(1.86)
- Decrease 0.5%	257.57	283.38	13.31	1.98
Salary Escalation				
- Increase 0.5%	257.65	283.52	13.39	1.98
- Decrease 0.5%	241.66	267.62	(2.60)	(1.90)
Attrition Rate				
- Increase of 5%	249.65	275.69	5.39	0.05
- Decrease of 5%	249.28	275.11	5.02	(0.05)

Sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet.

There was no change in the methods of assumptions used in preparing the sensitivity analysis from prior years.

The Company's best estimate of the contribution expected to be paid to the plan during the next year is Rs. 17.45 Lakhs (2021; Rs. 120 Lakhs)

**33 Impairment assessment on Property, Plant and Equipment (PPE)**

"Management had carried out an impairment assessment in accordance with IND AS 36 to determine whether the recoverable value of PPEs are less than the respective carrying value using the fair value less costs of disposal method.

The Management has assessed the fair value of freehold land basis the valuation as on March 31, 2021 and selling price of comparable properties in similar locations adjusted for property size and costs of disposal; the fair value of plant and equipment, furniture and fixtures, office equipment were based on the written down value of these assets carried in the books of account as at March 31, 2021.

Based on the assessment it is concluded that recoverable amount is higher than the carrying value of PPE and hence no impairment impact is to be effected in the financial statement of the Company."

**34 Note on Social Security Code 2020**

"The Code on Social Security 2020 ('the Code') relating to employee benefits, during the employment and post-employment, has received Presidential assent on September 28, 2020. The Code has been published in the Gazette of India. Further, the Ministry of Labour and Employment has released draft rules for the Code on November 13, 2020. However, the effective date from which the changes are applicable is yet to be notified and rules for quantifying the financial impact are also not yet issued. The Company will assess the impact of the Code and will give appropriate impact in the financial statements in the period in which, the Code becomes effective and the related rules to determine the financial impact are published."

**35 Going Concern**

"The financial statements have been prepared on a Going Concern basis which assumes that the Company will continue to be able to meet its liabilities as they fall due for the foreseeable future. The Company incurred a net loss of Rs.5,796.93 Lakhs for the year ended 31st March 2021 (2020: Rs.2,355.36 Lakhs) with net liabilities of Rs.25,589.35 Lakhs as at 31 March 2021 (2020: Rs.19,792.43 Lakhs)

Management of the company is taking steps to improve the utilization of production capacity by incurring additional capital expenditure for refurbishing/replacing identified old machineries. The directors have prepared cash flow forecasts for a period of 12 months from the date of approval of these financial statements which indicate that, taking account of reasonably possible downsides, the Company will have sufficient funds, through its facilities and funding from its promoters and group companies to meet its liabilities as they fall due for that period.

As with any Company placing reliance on other Group entities for financial support, the directors acknowledge that there can be no certainty that this support will continue although, at the date of approval of these financial statements, they have no reason to believe that it will not do so. The impact of COVID 19 on the business may be different as the situation evolves across the world but the Directors remain confident that the required support will be available from promoters and group companies.

Based on this continuing support the directors believe that it remains appropriate to prepare the financial statements on a going concern basis. However, these circumstances represent a material uncertainty that may cast significant doubt on the Company's ability to continue as a going concern and, therefore, to continue realising its assets and discharging its liabilities in the normal course of business. The financial statements do not include any adjustments that would result from the basis of preparation being inappropriate."

**36 Covid - 19 Impact**

"The COVID-19 outbreak has developed rapidly in India and across the globe. Measures taken by the Government to contain the virus, like lockdowns, travel bans and other measures, have affected economic activity and has caused disruption to regular business operations of the company in the form of fractured supply lines and demand decline. Though the COVID 19 related uncertainties persist, since the company's products are used for manufacture of essential commodities, the productions are carried out by the Company by adhering to strict safety measures and Government guidelines.

The Company has used the principle of prudence in applying judgements, estimates and assumptions including sensitivity analysis and has concluded that there is no impact of COVID 19 on the recoverability of carrying values of assets. Accordingly, no adjustments have been made to the financial statements.

The impact on future operations would, to a large extent, depend on how the pandemic further develops and it's resultant impact on the operations of the Company. The Company continues to monitor the situation and take appropriate action, as considered necessary in due compliance with the applicable regulations. Thus, the impact of COVID-19 on the Company's financial statements if any, may differ from that estimated as at the date of approval of these financial statements."
