IFC lends Rs. 1,875 cr to HDFC to promote green houses

New Delhi, July 25: International Finance Corporation (IFC), a private sector investment arm of the World Bank Group, has decided to provide loan of USD 250 million (about Rs 1,875 crore) to promote affordable green housing finance for low-income borrowers.

Low and middle-income borrowers will be able to own homes with improved access to finance, thanks to a new investment aiming to boost affordable housing finance in India, a joint statement said.

Aligned with the government of India’s goal to provide ‘Housing for All,’ the funding will also help generate jobs, it said.

At least 25 per cent of the financing has been earmarked for green affordable housing, which is likely to encourage this market in India, it said.

“Green housing is largely regarded as a luxury market in the country, but given its climate benefits, IFC intends to challenge that perception and help boost green affordable housing by partnering with HDFC, with its deep penetration in the Indian housing market and significant commitment to promoting green,” it said.

“This partnership with IFC covering both themes Affordable & Green housing, we hope, will materially further our outreach.” HDFC Ltd managing director Renu Sud Karnad said.

Green affordable housing can help India on its path to deliver on its commitments under the Paris Agreement, to reduce a third of its carbon emissions by 2030 from 2005 levels, it said.

Indians in Afghan warned of increase in violences

New Delhi, July 25: India on Saturday asked its citizens in Afghanistan to exercise utmost vigilance and caution in view of the “dangerous” security situation in several of its provinces, and warned that Indians additionally faced a “serious threat of kidnapping”.

In a fresh advisory, the Indian embassy said the terror groups operating in Afghanistan have escalated violent activities including the targeting of civilians and asked the Indians not to travel outside the main cities.

It said the new advisory reiterates the earlier one issued on June 29 which remained valid for all.

The embassy also advised the Indian media personnel travelling to Afghanistan to establish contacts with it for a better assessment of the risks involved, and cited “recent tragic events”, in a reference to the killing of Indian photojournalist Danish Siddiqui in Kandahar on July 16.

“Security situation in Afghanistan remains dangerous in several provinces. Terror groups operating in Afghanistan

have escalated violent activities including the targeting of civilians. Indian nationals are not exceptions, and they additionally face a serious threat of kidnapping,” it said.

“This advisory reiterates advice of June 29 which remains valid for all,” it added.
